

MotoClassic Wrocław 'For Love to Automotive Industry'

MotoClassic Wrocław

The 7th edition of MotoClassic Wrocław will be held on August 19 and 20 (Saturday and Sunday) 2017 in the area of Castle Topacz in Ślęza near Wrocław.

MotoClassic Wrocław is a rally of historic vehicles from 1886 - 1980 from Poland and abroad. The exhibition of vintage automobiles is accompanied by the presentation of cars of most contemporary brands. It is therefore possible to take a closer look at the Automotive Industry - trace its history and see in which direction it is going.

The Saturday - Sunday party is open to the public and will be preceded by a Friday parade of historic vehicles in the streets of Wrocław, which this year will reach min. to the 'Zajezdnia History Centre' and the Wrocław Market Square. At the same time as the parade there will be also an orientation rally dedicated to younger vehicles, whose route will lead across Wrocław surroundings in the atmosphere of competitions and riddles.

For love to Automotive Industry

The originator and organizer of the MotoClassic Wrocław event is the Topacz Automobile Association, which runs the Automotive Museum of Topacz and hence realizes the idea of developing and deepening the automotive awareness and gathers the collectors of vintage vehicles.

MotoClassic Wrocław will take place thanks to many years of involvement of its participants - collectors and lovers of the Automotive Industry, with the support of self-governments of the Lower Silesian Voivodeship, the City of Wrocław and the Commune of Kobierzyce.

KEY POINTS OF THE AGENDA

- THE MOST BEAUTIFUL VINTAGE VEHICLES – in the park and courtyard of Topacz Castle you will be able to admire over 300 historic vehicles from Polish and foreign collections. the presentation of vehicles, taking place simultaneously on two stages, will be a special attraction. As part of the professional elegance competition, the jury under the honourable presidency of car design legend Paul Bracq will assess the styling of crews in a historical context and will select winners of this year's awards.

On a specially prepared gravel track, the participants of the event will take part in a sport competition, testing their skills and the efficiency of vehicles in a regular driving competition, judged by the judges of the Polish Motor Show under the leadership of Jacek Blum.

- THE MOST INTERESTING PREMIERS AND AUTMOTIVE INDUSTRY NEWS – In the sector of modern manufacturers, the representatives of almost all automotive brands will present the most interesting and most anticipated news and premiers this year.
- SPECIAL EXHIBITION – the Automotive Museum in Topacz will be available to visitors. Prior to its entry, will be presented the Bugatti exhibition, dedicated to the brand Bugatti, that is the result of foreign crews participating in this year's event and presenting this legendary sports brand, on a scale so far unheard of in Poland.
- THE 1ST INTERNATIONAL RALLY W113 PAGODA SL CLUB POLAND – the 1st International W113 Pagoda SL Club Poland will be held during this year's edition of MotoClassic Wrocław. Paul Bracq, the designer of the Pagoda Mercedes model, confirmed the presence of more than 20 vehicles of this iconic model. Jeremy

Clarkson described the vehicle as '...probably the most beautiful Mercedes ever produced.'

- SPECIAL COLLECTIONS – the presence of special collections, including the Rolls-Royce Enthusiasts' Club and the Casual Car Club Warsaw has been announced at MotoClassic Wrocław.
- RETRO COMMUNIST POLAND CAMPING – a specially arranged zone referring to the communist era will be a sentimental return to the past. The exhibition will take the form of an authentic camping. Apart from vehicles, tents and trailers, participants will present costumes and equipment from the epoch.
- HISTORICAL RECONSTRUCTION GROUPS SECTOR – this section will show vehicles, elements of uniforms and equipment of historical reconstruction groups from the Lower Silesia region.
- COACHES AND CARRIAGES AT MOTOCLASSIC WROCŁAW 2017 - thanks to cooperation with the Coach Museum in Galowice, for the first time in Poland we have the opportunity to present vehicles from before the automotive industry era, i.e. luxurious, over 150 year-old coaches and carriages, not only from the collection of the Museum in Galowice, but also presented in motion by their owners from all over Poland. Original horse-drawn equipment will be subject to a special commission, including the results of fitness tests. The titbit of the exhibition will certainly be Brek, formerly belonging to Prince Sanguszko, and the most successful winner of European traditional chariot racing competitions.

ANCHORMEN:

This year's event will be led by **Joanna Zientarska** (the automotive journalist, daughter of Włodzimierz Zientarski) and **Krzysztof Ibisz**, who has been involved in the event for six years now.

AUTOMOTIVE INDUSTRY

In a specially prepared corporate sector where companies will be presenting products and services related to the automotive industry, participants and visitors will be able to familiarize themselves with the offer addressed professionally to the market of vintage vehicles and to buy stylish souvenirs or clothes.

OTHER ATTRACTIONS

There will also be a children's playground in the event venue. As in the previous year, the automotive catering area will be established, where Wrocław food trucks were invited. Music bands will be performing on an outdoor stage, including the Bovska team on Sunday.
